Live Auction Sealed Bid and Registration Form

Live Auction Sealed Bids

Don't live on the Sunshine Coast or can't make it to this year's Gala, do not worry! You can still help the Cindy Mackenzie Breast Cancer Foundation to raise funds by bidding on the live auctions prior to this year's event.

From a weeklong Sydney New Year Events Spectacular Experience for four, to a weekend escape at beautiful Noosa, to an Asian adventure in Hong Kong and Shanghai staying at two of the world's best hotels, this year's gala auction has something for everyone.

How Does It Work

Complete this registration form together with the terms and conditions. Tick the box of the auction item(s) you are bidding on and simply offer the bid you think no-one else will bid. The winner is the highest bid that is received either on the night at the Gala or by sealed bid.

Why Participate

It's exciting, different and innovative. It allows "Friends of the Foundation" who can't attend the Gala and charity minded individuals right across Australia to bid on unique auction items whilst raising money for a great grassroots organisation.

Terms and Conditions

All sealed bids must be received by 12 noon Thursday, May 12 2011.

Email the completed form to events@cmbcf.com.au or post to the Cindy Mackenzie Breast Cancer Foundation Gala 2011, PO Box 1648, Buderim 4556.

You may bid on one or more auction items; however, you may only bid on each item once. The highest sealed bidder for each item will be contacted on May 13. We will confirm your bid and obtain credit card details to hold for security.

The live auction will take place at the Foundation's Black Tie Gala on Saturday, May 14 at Hyatt Regency Coolum at approximately 10.15pm. Live bidders in the room will be notified of any sealed bids.

At the end of the bidding, if the sealed bid wins, the bidder's credit card will be charged immediately and the bidder will be notified by email. Please ensure your details are correct so we can reach you with the exciting news.

If the transaction fails, the winning bidder will be contacted immediately by phone. If the bidder cannot be reached to obtain alternate credit card details, the next highest bid – either by a bidder in the room or by sealed bid – will become the winning bidder.

The results of the auction will be notified by email to all sealed bidders May 16.
