

# Sensual drama baring all for breast cancer

## La Ronde season strictly limited

Buderim's Sharon Grimley, a doctor at Breastscreen Queensland, is boldly baring all for the upcoming adults only production of the sensual drama, *La Ronde*.

Last month, Dr Grimley accepted the role of the socialite.

She also suggested to director Sam Coward that the production be staged in support of the Cindy McKenzie Breast Cancer Foundation.

After a limited season at Noosa Arts Theatre, March 25 to April 3, the R-rated production will then move to Mooloolaba's newest

casual dining deli cafe and social hot spot, Europe on First.

Once there, for four shows only, \$5 from every ticket sold will be given to the Cindy McKenzie Breast Cancer Foundation.

Don't miss this dark and delicious theatre or the opportunity to

contribute to the great work being done on the Sunshine Coast to support women with breast cancer and their families.

*Tickets for the strictly limited Mooloolaba season are available from Europe on First, phone 5477 6288.*

Buderim's Sharon Grimley will appear in *La Ronde*.
