With PINKTOBER® for the Cindy Mackenzie Breast Cancer Foundation (cmbcf) just around the corner, the Sunshine Coast community have the opportunity to once again get involved with a purely grassroots local charity.

With the month of October recognised nationally as breast cancer awareness month, the PINKTOBER® Appeal is the only one which aims at raising funds and awareness for Sunshine Coast families living with breast cancer.

This PINKTOBER®, schools, sporting clubs and workplaces can show their support by hosting a fundraiser, selling merchandise or attending a PINKTOBER® event.

PINKTOBER® 2011 will kick off with a Charity Golf Day at Hyatt Regency Coolum, home of the Australian PGA Championship on Friday October 7th.
