Black Tie clad guests will enter via red carpet with strains of cool jazz enticing them into an evening of live entertainment and dancing. All this and more is to celebrate the Third Anniversary of the **Cindy Mackenzie Breast Cancer Foundation** which focuses on making a difference to local families living with breast cancer. The Foundation is continually active within the Sunshine Coast community, raising funds which are then used to help Sunshine Coast families. Whether making sure school uniforms are ironed and dinner is on the table, paying a bill or celebrating the end of treatment, the Cindy Mackenzie Breast Cancer Foundation provides relief in many ways whether it is practical, financial or emotional support.
