## IN THE PINK

Weekender - October 1, 2010

It's Pinktober month here on the Coast which means there are lots of opportunities to support breast cancer awareness. The Tewantin Noosa Lions Club will host a community fun day on October 2 at the Noosaville Lions Park in Gympie Terrace from 10am-3pm. On October 21, *Like Chocolate for Women* authors Kim Morrison and Fleur

Whelligan host a night of pampering to teach local ladies the importance of self-care while indulging in some time out. Taking place at the Pacific Ford showroom in Maroochydore from 7-9.30pm, women can play in Kia Sorentos, sip bubbles and eat chocolate. For a full list of events and ways in which to support the Cindy Mackenzie Breast Cancer Foundation simply visit [www.cmbcf.com.au](http://www.cmbcf.com.au).
